

Dear Friends & Colleagues,

Welcome to the **2nd Hypospadias World Congress**, due on October 3 -5, 2018 in Offenbach, Frankfurt, Germany.

We would like to welcome you, a Pediatric Surgeon, Pediatric Urologist, adult Urologist, Plastic Surgeon, Andrologist, Endocrinologist, Psychiatrist or a Basic Scientist to actively participate in this unique congress and meet the leading experts of our time. You will have the possibility to exchange scientific information and technical know-how. The key-note lectures are carefully chosen to cover the whole spectrum. A major highlight is the live surgery on Friday, October 5th that covers the whole surgical spectrum.

Hypospadias has become a true specialty. There is still a lot that is unknown and there is a need to promote research and to exchange and promote knowledge and experience.

There will be valuable **Basic Science** (5000€) and **Clinical Research** (1000€) prizes for the best scientific presentations.

The Offenbach Hypospadias Center is the leading hypospadias center in Germany with more than 1000 hypospadias operation performed every year (www.weisse-liste.de).

Frankfurt is a vibrant International city with direct flight connections to all major cities of the world. In addition to the high quality scientific program, there will be an exciting social program that will enable you to experience and enjoy the German culture, German traditions and the delicious German cuisine. We intend to continue to set the bar very high for the organizer of the **3rd Hypospadias World Congress** in Philadelphia in 2019.

Looking forward to welcoming you in Frankfurt,

Ahmed Hadidi
